ESPN Profile Option

The screenshot displays the ESPN website interface. At the top, a navigation bar includes the ESPN logo, sports categories (NFL, NCAA, NHL, NBA, MLB, Soccer), and user options (Watch, Listen, Fantasy, Search, User). Below this, a scoreboard shows various sports events. The main content area features a basketball game between the Knicks (43) and the Nets (64) in the 1st half. A 'LAST PLAY' section highlights a personal foul by Royce O'Neale. Below this, three video thumbnails are shown: 'KD rattles in and-1 for Brooklyn', 'Julius Randle drops in a corner 3-pointer', and 'Check out this sweet dime from Kevin Durant'. A user profile menu is open on the right, showing options like 'Manage my: Subscriptions', 'Edition: US', 'ESPN Profile' (highlighted with a red box), 'Newsletters', 'TV Provider', 'Video Settings', and 'Log Out'. The 'FAVORITES' section on the right indicates no teams are currently in the user's favorites.
